In honor of the **International Year of the Reef in 2008**, Reef Check is requesting you to sign the **Declaration of Reef Rights**. We would like to present the Declaration along with a list of one million names to all coral reef country governments in January 2009. The purpose of this pledge is to highlight the high value of coral reefs and to encourage all people and governments to support coral reef conservation. After reading the pledge, please sign the form below, including your full name, country and an email. Thank you for supporting coral reefs!
Once the sheet is filled please mail, fax, or email it to Reef Check using the contact information below.

Please write legibly!
