Reef Check Foundation's Gala: Reef Rescue 2008

It's time that your company is recognized for its environmental commitment!

We are pleased to invite your company to celebrate 2008 as the International Year of the Reef. We welcome you to highlight your company's environmental commitment by partnering with the Reef Check Foundation as a sponsor of our Reef Rescue 2008 Gala.

This exciting event will take place at the Aquarium of the Pacific in Long Beach, CA on Saturday, November 15th and will feature celebrities, a live scuba exhibition, hula dancers, and cuisine from reef nations around the world. Reef Check supporters include Cameron Diaz and Leonardo DiCaprio, our honorary Board Chair, and previous honorees have included Jean-Michel Cousteau, Daryl Hannah and Dr. Sylvia Earle.

This year, we have the distinct privilege of honoring an individual whose deep commitment to ocean conservation is extraordinary. Greg MacGillivray of MacGillivray Freeman Films will receive the *2008 Spirit of the Reef Award* for documenting the beauty and fragility of the reefs and oceans in IMAX splendor in films such as *Coral Reef Adventure*. Besides having over 40 large format films to his credit, Greg is also known to surfers for creating the surfing classic, "Five Summer Stories."

Don't miss out on this wonderful opportunity to join businesses such as **Quiksilver**, **Body Glove**, **Nova Ortho-Med** and **Toyota** as an Official Sponsor of Reef Check's annual celebration. Your generous sponsorship supports education programs for children and our volunteer monitoring teams in over 90 countries as well as teams here in California.

The **Reef Check Foundation** is a **501(c)(3) nonprofit organization** dedicated to conservation of two endangered ecosystems: tropical coral reefs and California rocky reefs. Reef Check programs provide ecologically sound and economically sustainable solutions to save reefs by creating partnerships among community volunteers, government agencies, businesses, universities and other nonprofits.
